

## **Toward a new "Peace Process" in Palestine ?**

**The "Peace Process" in the Middle East is exhausted... One must admit that since 1993 nothing remains from these tremendous efforts to achieve Peace and implement an independent Palestinian State. Time has come to give the floor to the Civil Society at the Regional Level. It will be the topic of a major Session of the forthcoming and 21st yearly Crans Montana Forum in Brussels, June 23 to 26, 2010, chaired by Mr. Marc Otte, EU Special Representative for the Middle East Peace Process.**
